- provided the substantive obligations (including payment and delivery obligations) applicable to the Member under these Rules continue to be performed.
- 5.6 In the event that an Indirect Participant becomes insolvent, is unable to pay its debts as they fall due or is the subject of a winding up petition or other like process, the Direct Participant of such Indirect Participant shall forthwith advise SI and MA thereof and forthwith stop initiating or otherwise processing or executing any CHATS Transaction in respect of that Indirect Participant or crediting or otherwise making any payment in respect of any CHATS Transaction to that Indirect Participant.

- Member for which Clearing Facilities are refused or suspended while such refusal or suspension shall continue in effect.
- 5.9 If it appears that part or all of the Clearing Facilities are inoperable, HKICL may at any time after consultation with SI and MA, declare by notice in writing to all Members, HKSCC, OTC Clear and the relevant GD Settlement Centre in respect of clearing and settlement of e-Cheques, that all or part of the Clearing Facilities will be suspended for the Working Day on which the notice is given and shall provide information as to which (if any) of the Clearing Facilities will be available. Any such notice from HKICL in relation to the inoperability of an e-Cheque Presentment Service may be published on any website, mobile application or on any other system on which an e-Cheque Presentment Service is made available.
- 5.10 At the end of each Non-Clearing Day, HKICL will consult with SI and MA with a view to determining whether and the extent to which Clearing Facilities will be resumed for the following Working Day. HKICL shall incur no liability to any Relevant Person for the consequences of acting on the Default Arrangement, these Clearing House Rules and any such notice or advice given or purportedly given to any Relevant Person pursuant to this Rule 5 and/or Part IV of Schedule III and/or Part V of Schedule III. Each Member hereby agrees to indemnify each of MA, SI and HKICL against any liabilities referred to in this Rule, or incurred by each of them to any Relevant Person in its capacity as such.

- 6.4.2 (a) CHATS will send all the eligible payment instructions as stipulated in the Operating Procedures to the HSSS for scanning before the commencement of the settlement process on the respective value date. If the HSSS identifies any such payment instruction as suspicious (“Suspicious Payment”) in accordance with the Operating Procedures, CHATS will withhold such Suspicious Payment and notify the Sending Member concerned (or SI in the case of a Direct Credit Instruction or Direct Debit Instruction). After inspection of the payment instruction identified as a Suspicious Payment (supplemented by such information provided by the Sending Member as may be requested by the HSSS Service Provider), the HSSS Service Provider shall determine whether the payment instruction identified as a Suspicious Payment is a Sanctioned Transaction or a false alert (which determination shall be conclusive) and, if and only if the Suspicious Payment is determined as a false alert and subject as provided in Rule 6.4.2(b), the HSSS Service Provider shall notify CHATS to release the withheld Suspicious Payment and the payment instruction concerned will then be processed in the normal manner as if the payment instruction were not a Suspicious Payment.
 - (b) Subject to Rule 5.14, any withheld transactions not processed by the cut-off times for the respective payment instructions on that value date will remain in CHATS and be handled in accordance with the Operating Procedures. In respect of any withheld transactions, each Member will comply with the resubmission rules set forth in the Operating Procedures. The details of the processing procedures including the special handling procedures in the event that the eligible payment instructions cannot be passed to the HSSS for scanning in real time are outlined in the Operating Procedures. In respect of CHATS Transactions effected by way of Special Posting, this Rule shall apply as modified by Rule 6.4.3.
- 6.4.3 CHATS Transactions effected by way of Special Posting will also be sent to the HSSS for scanning. The details of the respective handling procedures are outlined in the Operating Procedures.

- 6.4.4 It is a Sending Member's or SI's responsibility to initiate payment instructions effected through CHATS that comply with the requirements contained in the laws and regulations from which the "Designated Sanction Lists" are derived as if the Sending Member were subject to such laws and regulations. Each Sending Member shall indemnify HKICL and SI from any liability incurred by either of them as a result of breach of Rule 6.4.4 and SI shall indemnify HKICL from any liability incurred by it as a result of SI's breach of Rule 6.4.4.

- 6.4.6 SI and the HSSS Service Provider make no warranties or representations whatsoever (whether express, implied or statutory) regarding the HSSS screening process, including without limitation any representation or warranty of merchantability or fitness for use for a particular purpose or regarding the effectiveness of the HSSS in identifying Sanctioned Transactions. SI and the HSSS Service Provider shall not be liable to HKICL or any Member, any ICU, any TPU, any Indirect-participating Card Members, any correspondent bank of a Service Provider, any customer of a Member, any e-Cheque Drop Box User and/or any other person for any claim, loss, damage or expense (including without limitation, loss of business, loss of business opportunity, loss of profit, special, indirect or consequential loss, even if SI or the HSSS Service Provider knew or ought reasonably to have known of their possible existence) of any kind or nature whatsoever arising in whatever manner directly or indirectly, wholly or in part, from or as a result of anything done or omitted to be done bona fide by SI and the HSSS Service Provider in connection with the HSSS screening process, including without limitation for any malfunctioning of and contamination of data integrity by the HSSS or its failure to effectively screen out Sanctioned Transactions. For the avoidance of doubt this provision shall not impose any liability on HKICL which it would not have incurred in the absence of this provision.
- 6.4.7 HKICL, SI and the HSSS Service Provider shall not be liable for any delay or non-delivery of the withheld payment instructions as stipulated in Rule 6.4.2 or for any claim arising out of a Suspicious Payment not being a Sanctioned Transaction. HKICL does not warrant the effectiveness of the HSSS in identifying Sanctioned Transactions. HKICL shall not be responsible for any malfunctioning of and contamination of data integrity by the HSSS or its failure to effectively screen out Sanctioned Transactions.
- 6.4.8 Each Member acknowledges that transaction data of such Member in relation to the HSSS screening process might be disclosed, processed, retained and used by SI and the HSSS Service Provider, including lawyers, auditors and other professional advisers of SI, (a) to enable SI and SI's Group Members to comply with legal and regulatory requirements applicable to them, including disclosure to regulators and law-enforcement authorities, (b) pursuant to these Rules and the Operating Procedures or (c) in accordance with any other agreement with the relevant Member.

If the result is not in order the Receiving Member must immediately effect a return of the transfer quoting the original transaction details and giving the reason for the return. If the transfer is returned to the Sending Member after the CHATS Customer Cut-off for CHATS Transactions which are customer related and CHATS Bank Cut-off for CHATS Transactions which are not customer related in each case immediately following the input of the transfer then any loss of interest is for the account of the Sending Member subject to Rules 6.7.8 and 6.7.9;

successful, it shall provide HKICL with a list of its correspondent banks in accordance with the schedules and requirements specified in the Operating Procedures.

- 6.8.2 When a Service Provider provides HKICL with any information relating to it, in its capacity as a Service Provider, and its correspondent banks (including, without limitation, any lists and other information provided under Rule 6.8.1):
- (a) it will take all reasonable steps to ensure the correctness of such information and in particular, but without limitation, the correctness of any such information provided in Electronic Media;
 - (b) it will authorise HKICL to disclose such information to HKICL's sub-contractor for the posting of such information on HKICL's website and to other Members or other persons; and

- 6.8.6 A correspondent bank of a Service Provider shall not be a Member and shall have no rights or obligations vis-à-vis Members, SI or HKICL. All rights and obligations vis-à-vis Members, SI or HKICL arising out of or in relation to the making of a Regional CHATS Payment shall be the rights and obligations of the Direct Participant making the Regional CHATS Payment and the Service Provider receiving it.

In the event that the relevant GTRS cannot confirm that the corresponding security transactions will be settled, Held Funds will be released to the Sending Member at a time pre-defined by MA and SI as stipulated in Operating Procedures. Any obligation of SI to hold any funds shall be discharged thereupon notwithstanding anything provided in Rule 6.3.9.

- 6.9.2 If following an emergency HKSCC requires to roll back the data for system recovery all CCASS Payment Instructions in the Normal Queue and the Pending Queue will be cancelled in accordance with the Operating Procedures.

- 6.9.3 During any such emergency all Members should limit their communications with the Clearing House Computer and HKICL to those which are essential.

6.10 Receiving Members

No Receiving Member or Service Provider shall be obliged to credit any funds received by it through CHATS (other than those funds in respect of Articles) to the beneficiary's account if the instructions for the transfer are incomplete or inaccurate.

The Direct Participants who require Special Posting, or any Direct Participant when it is requested by HKICL to do so, should prepare a Special Posting authorisation letter and the instructions for Special Posting in electronic format and submit them to HKICL for triggering the operation of the Special Posting. A request for Special Posting shall be made during the period referred to in the Operating Procedures. Any request submitted after that period shall be subject to the prior approval of HKICL and SI (after SI has consulted with MA). Details of the notification and approval arrangements are stipulated in the Operating Procedures.

- 6.11.1.1 The lay-out of instructions submitted to the Clearing House by Direct Participants by Electronic Media shall comply with the requirements set out in the Operating Procedures.

- (b) authorises HKICL not to process any one transaction which fails certain validation criteria implemented by HKICL from time to time and set out in the Operating Procedures;
- (c) indemnifies HKICL and SI against all liabilities and expenses incurred by either of them as a result of any error or discrepancy in the instructions or otherwise.

6.11.3 Settlement of Special Posting Transactions

It is the Sending Member's responsibility (or in relation to an OTC Clear Payment Instruction, the responsibility of the paying Member of the OTC Clear Payment Instruction) to ensure that there are sufficient funds in its Designated Settlement Account for settlement of Special Posting transactions. Any Special Posting transactions not settled by the cut-off times for the respective payment instructions on the day of the request for Special Posting will be cancelled.

6.11.3.1 Any Special Posting transaction which passes validation criteria will be treated as a normal payment instruction and processed in the same way and manner as the payment instruction from which it originated.

6.11.3.2 Settlement of Special Posting transactions will be effected across the books of SI pursuant to Rules 3.1.4 and 3.1.5 by debiting the Designated Settlement Account of the Sending Member (or in relation to an OTC Clear Payment Instruction, the paying Member of the OTC Clear Payment Instruction) for the funds transferred and crediting to the Designated Settlement Account of the respective Receiving Members (or in relation to an OTC Clear Payment Instruction, the bank Member designated by OTC Clear in accordance with the Operating Procedures in relation to the settlement of OTC Clear Payment Instructions).

6.11.4 Responsibility of Direct Participants

6.11.4.1 Sending Members should verify the details of instructions shown on the data capture report or response file provided to them by HKICL and confirm that the Special Posting may proceed.

6.11.4.2 Sending Members should reconcile the Special Posting report produced at the end of posting provided to them by HKICL and report discrepancies to HKICL immediately.

6.11.4.3 For the avoidance of doubt, this Rule 6.11.4 does not apply to paying Members in relation to the OTC Clear Payment Instructions.

6.12 RTGS Liquidity Optimiser

Between the CHATS Commencement and CHATS Value Date Cut-off, RTGS Liquidity Optimiser effected through CHATS can be triggered automatically according to a pre-defined interval or manually by SI.

6.12.1 When RTGS Liquidity Optimiser process starts, eligible CHATS Transactions in the Normal Queue as specified in the Operating Procedures will be extracted ("Selected Payments").

6.12.2 The projected balance of the Designated Settlement Accounts for each paying Direct Participant of the Selected Payments ("Selected Payment Member") based on assumed settlement of the Selected Payments will be computed in accordance with the formula as stipulated in the Operating Procedures.

6.12.3 If the projected balances of each Selected Payment Members are positive or zero, the gross amount of the Selected Payments will each be effected through CHATS automatically and settled immediately upon completion of its processing and effected across the books of SI pursuant to Rules 3.1.4 and 3.1.5 by debiting and crediting the Designated Settlement Accounts for the funds transferred.

6.12.4 In case the projected balances of the Designated Settlement Account for some Selected Payment Members are negative, the system will try to exclude the Selected Payments of such Selected Payment Members based on the criteria as specified in the Operating Procedures in order to reach positive or zero projected balances of each of the Selected Payment Members.

6.12.5 CHATS Transactions (other than CHATS Transactions in respect of Articles) received by

Clearing House Computer after commencement of the RTGS Liquidity Optimiser process will not be processed as part of that process and will be placed at the end of the Normal Queue and processed in due course in accordance with these Rules Provided that Direct Debit Instructions will be placed at the top of the Normal Queue.

- 6.12.6 Under any of the following situations, the process of RTGS Liquidity Optimiser will be terminated:
- (a) all Selected Payments are excluded in the process of Rule 6.12.4;
 - (b) the process of the RTGS Liquidity Optimiser has not been completed prior to CHATS Value Date Cut-off;
 - (c) any Selected Payment Member(s) or relevant Receiving Member(s) is/are in default or if it is/are insolvent;
 - (d) the processing time exceeds the maximum processing time defined for each RTGS Liquidity Optimiser run from time to time as stipulated in the Operating Procedures; or
 - (e) any of the specific critical events which are stipulated in the Operating Procedures is activated.
- 6.12.7 On termination of the process of RTGS Liquidity Optimiser pursuant to Rule 6.12.6, all relevant Selected Payments and any CHATS Transactions (other than CHATS Transactions in respect of Articles) received by Clearing House Computer after commencement of the process of RTGS Liquidity Optimiser will be reinstated in the Normal Queue as if the process of the RTGS Liquidity Optimiser had not been commenced.
- 6.12.8 Requests for re-sequencing and cancellation of its payments in the Normal Queue (including the Selected Payments and other CHATS Transactions (other than CHATS Transactions in respect of Articles)) initiated by the Selected Payment Member or SI after the start of RTGS Liquidity Optimiser process and before completion or termination of the process will be rejected.

6.13 Interbank Intraday Liquidity Facility

The IILF shall be made available through CHATS between the CHATS Commencement and CHATS Value Date Cut-off by Liquidity Providers to Liquidity Consumers in accordance with this Rule.

- 6.13.1 Liquidity Providers shall indicate their willingness to participate in the IILF by registering with HKICL. Liquidity Providers shall also on behalf of the Liquidity Consumers with whom they have agreed to provide liquidity through IILF register those Liquidity Consumers with HKICL indicating their Liquidity Consumers' desire to obtain liquidity from the Liquidity Providers under the IILF. Liquidity Consumers may only obtain liquidity through IILF from one Liquidity Provider and:
- (a) prior to registration Liquidity Providers and Liquidity Consumers shall separately agree among themselves on a bilateral basis the terms on which liquidity through IILF is provided including the intra-day and overnight interest rates;
 - (b) after registration, the relevant Liquidity Provider shall maintain in the records of HKICL via the MBT:
 - (i) the limit of the IILF for the time being assigned by it to each Liquidity Consumer, which limit may be amended by the Liquidity Provider via the MBT at any time without prior notice to HKICL or the Liquidity Consumer;
 - (ii) the priority arrangement by it to each Liquidity Consumer in the event that it has more than one Liquidity Consumer and provision of liquidity is triggered by more

than one Liquidity Consumer at the same time and all such requests cannot be met in full; and

(iii) the intra-day and overnight interest rates agreed with each Liquidity Consumer;

(c) HKICL shall publicise on the members' section of its website the names and contact details of registered Liquidity Providers.

6.13.2 The provision of liquidity through IILF process is triggered automatically during the RTGS Liquidity Optimiser process.

6.13.3 If a Liquidity Provider is a Selected Payment Member in the RTGS Liquidity Optimiser process, the provision of liquidity through IILF by such Liquidity Provider will not be triggered in that process.

6.13.4 If a Liquidity Provider is not a Selected Payment Member in the RTGS Liquidity Optimiser process and a Liquidity Consumer to which the Liquidity Provider has agreed to provide liquidity through IILF is a Selected Payment Member in the RTGS Liquidity Optimiser process, the projected balance as stipulated in Rule 6.12.2 shall take into account the available IILF limit specified in Rule 6.13.1(b)(i) to the extent required to make the projected balance of the Liquidity Consumer positive or zero. Should the IILF be taken into account to the extent required to make the projected balance of a Liquidity Consumer positive or zero as provided in the previous sentence, there shall be a deemed request for the provision of liquidity through IILF by the Liquidity Consumer in that amount from the Liquidity Provider to the Liquidity Consumer. The ultimate liquidity drawn by Liquidity Consumer out of the available IILF limit and the detailed arrangements are stipulated in the Operating Procedures.

6.13.5 If more than one Liquidity Consumer are deemed to make a request pursuant to Rule 6.13.4 from the same Liquidity Provider, and such Liquidity Provider does not have sufficient funds to fulfil the requests of all such Liquidity Consumers, the available amounts under the IILF from that Liquidity Provider will be allocated to each Liquidity Consumer according to the priority specified by the Liquidity Provider in Rule 6.13.1(b)(ii).

6.13.6 The lending under the IILF is effected through the settlement of a CHATS Payment Instruction Value Today with a designated payment code indicating that it is a payment of principal under the IILF ("IILF Payment Instruction") generated by HKICL to debit the Liquidity Provider's Settlement Account and credit the Liquidity Consumer's Settlement Account.

6.13.7 Liquidity provision through IILF by a Liquidity Provider to one or more of its Liquidity Consumers may also be triggered manually by such Liquidity Provider inputting an IILF Payment Instruction.

6.13.8 For each settled IILF Payment Instruction, the Liquidity Consumer shall be under an obligation to repay the Liquidity Provider the amount of the IILF Payment Instruction (i.e. principal) and an intra-day interest calculated based on the IILF Payment Instruction. The intra-day interest rate is assigned by the Liquidity Provider to each of its Liquidity Consumer(s) by separate agreement and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.13.1(b)(iii).

6.13.9 The total outstanding IILF repayable amount of a Liquidity Consumer in respect of each Working Day includes:

(a) the amount of all settled IILF Payment Instruction(s) of the current day not yet repaid by the Liquidity Consumer; and

(b) intra-day interest of the current day not yet paid by the Liquidity Consumer for which the calculation of such interest is stipulated in the Operating Procedures.

6.13.10 If there is any outstanding IILF repayable amount of a Liquidity Consumer as defined in Rule

- 6.13.9, the repayment process for the Liquidity Consumer will be triggered automatically by HKICL according to the scheduled repayment time on each Working Day determined by SI and subject to change from time to time. CHATS Payment Instructions Value Today with different designated payment codes indicating they are either repayments of outstanding IILF Payment Instructions or payments of outstanding intra-day interest under the IILF (collectively known as “IILF Repayment Instructions”) will be generated by HKICL to debit the Liquidity Consumer’s Settlement Account and credit the Liquidity Provider’s Settlement Account to repay outstanding (i) IILF Payment Instruction (i.e. principal); and (ii) intra-day interest separately.
- 6.13.11 An IILF Repayment Instruction may also be triggered manually by a Liquidity Consumer to its Liquidity Provider by the Liquidity Consumer inputting such an instruction.
- 6.13.12 If the Liquidity Consumer has insufficient funds to meet the total outstanding IILF repayable amount, the IILF Repayment Instructions will still be generated by HKICL to partially repay the outstanding IILF repayable amount. The detailed arrangements are stipulated in the Operating Procedures.
- 6.13.13 If there is any outstanding IILF Payment Instruction of Liquidity Consumer after CHATS Value Date Cut-off, an overnight interest assigned by the Liquidity Provider to the Liquidity Consumer and maintained by the Liquidity Provider in the records of HKICL via the MBT under Rule 6.13.1(b)(iii) shall apply. HKICL shall then calculate the overnight interest according to the formula stipulated in the Operating Procedures and provide such information to the Liquidity Provider and Liquidity Consumer. However, the overnight interest, together with the outstanding IILF repayable amount, shall be settled outside of the CHATS after CHATS Value Date Cut-off between the Liquidity Provider and Liquidity Consumer, and SI and HKICL shall have no further involvement.

RAINSTORM PROCEDURES

1. Introduction

This version of the Rainstorm Procedures is effective from the date HKICL announces that it will take effect.

2. Rules for Settlement of Transactions through the Clearing House in Hong Kong

2.1 In the event of a “black” rainstorm warning being issued during the day the Clearing House will continue to function normally: deadlines may be subject to variation and in such case, HKICL shall broadcast by the MBT to Members (and also by SWIFT to a Member who has requested that administrative messages should also be sent to it by SWIFT) administrative messages(s)/email(s) with progressive serial number(s), and advise HKSCC and OTC Clear a processing schedule or schedules as soon as practicable after the issuance of the “black” rainstorm warning and such processing schedule(s) so broadcasted shall be binding on Members.

2.2 It is possible that an entire day’s business may be lost due to a “black” rainstorm signal being hoisted prior to commencement of working hours: in these circumstances, Typhoon Procedures for the time being in force as amended from time to time will apply and such a day shall not be deemed a “Working Day” as defined in the Typhoon Procedures, save in respect of CHATS Transactions (excluding CCASS Payment Instructions and those CHATS Transactions in respect of Articles except OTC Items) and transactions involving the use of CCPMP or a GTRS. For the avoidance of doubt, when “black” rainstorm signal is hoisted, the initial queue mode of OTC Clear Payment Instruction shall be determined by the default queue mode in adverse weather/holiday as indicated by the paying Member in accordance with the Operating Procedures.

However, if a “black” rainstorm signal necessitates a delayed start to the day, the settlement procedures and arrangements applicable to the situation where Typhoon signal no. 8 is lowered and Extreme Conditions are cancelled during a Working Day in the Typhoon Procedures will apply.

2.3 With regard to closing and reopening of banks, Members should refer to the guidelines issued by The Hong Kong Association of Banks.
